Old Business: There was one bid received for tree removal for the forestry grant. The bid was won by Joe Linde with a bid of $4200 for the removal of approximately 20 mature ash trees, removal of stumps and clearing of smaller shrubs and small diameter trees. There will be a community potluck picnic at the park on August 22nd at 1 pm. The picnic will be open to all residents in the Grenville area.

New Business: No building permits were issued this month. The board received a petition to vacate a 16-foot alley which runs east to west between Lots 1-6 and Lots 23-28 of Block 1, First Addition in Grenville. Additional residents requested to be added to this petition but as their paperwork was not complete, they were told that the finance officer would contact the two original petitioners to see if they were willing to wait until they have the proper paperwork completed. If not in agreement the notices will be published and the open hearing will take place at the August 27th meeting.

Public Open Forum: A resident requested another round of mosquito spraying. Herrick said he will call and get Grenville on the list. A resident wanted to know if the water hydrants have been flushed yet and if the town could put up signs when it will occur. Herrick told them that it will be done later in the fall and that residents would be notified. A resident complained that their mailbox still was not anchored into the ground after it had to be removed during a water main break repair. Herrick told the resident that he would find someone to repair it. A resident asked if the town charged a yearly fee for a business license to local businesses. The resident was told that at this point the town does not, but that the board would look into this concept.

A motion was made by Lesnar to adjourn the meeting and seconded by Rudningen.
The next meeting will be held Thursday, August 27th 2026 at 7:00 pm.
